The capstone project is designed to showcase your skillset to your employer and have an immediate impact to the ROI equation.

Class of 2019

Class of 2018

“The flexibility of the MID program is what really sets it apart from other graduate programs and allows a working professional to earn a Master’s degree while maintaining high output at work.”

STEVE LUCHAK, LOCKHEED MARTIN
CLASS OF 2015

“The inclusive MID program empowered our small business to take the necessary steps to observe and recognize best practices throughout the world of distribution and uniquely apply them to our electrical distributor.”

MIKE DUNCAN, GUARDIAN INDUSTRIAL SUPPLY
CLASS OF 2016

*“Since graduating with my MID degree,
my salary has grown by more than
45% and it’s allowed me to separate
myself from the competition.”*

LOUIS A. GALLO JR., GEXPRO
CLASS OF 2008

*“The MID program at Texas A&M
University is truly a unique experience.
The program is rigorous and demanding,
yet takes into account the needs of the
working professional.”*

RICK KNUBLEY, CNX DISTRIBUTION
